EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the Title:

Replace the Title with –Method of Maturing Wine—

In the Abstract:

Line 2, replace “comprising” with –having-.

In the Claims:

Delete non-elected claims 28-39.

Examiner's Reasons for Allowance

2. The following is an examiner's statement of reasons for allowance:

The Examiner is in agreement with the reasons for allowance outlined in Applicant's response and declaration filed 9/8/09. To summarize, White (DE 2357970) is directed to a process of fermentation or type of fermentation and not a matter of maturing wine after fermentation as now set forth in the instant claims, said maturation occurs in a closed container having the permeability conditions as claimed as well as a structure that is self-supporting and wherein maturation occurs in a manner that is equivalent to oak cask maturation. It would not have been obvious to one having ordinary skill in the art at the time of the invention to have modified White to include a

Art Unit: 1794

maturation step after fermentation since White is directed at speeding up only a fermentation step in a container that has a permeability far too high to achieve the slow maturation comparable with that achieved in oak barrels.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Anthony Weier whose telephone number is 571-272-1409. The examiner can normally be reached on Monday-Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Keith Hendricks can be reached on 571-272-1401. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
